

Report to Council: Deputy Mayor

Wainwright Health Foundation November 2nd

Reported last month before we decided to cut off at month end.

Fire Board Meeting November 12th

Specification sheet for Pumper #2 replacement was reviewed and was accepted.

MD will send out for bids.

Motion for MD to bear 100% cost of truck that was passed at first meeting was discussed and Merv will present to council for information.

Discussion on disposal of old truck and decided to have sealed bid. (AS is, where is)

ICE Equipment Meeting November 24th

Discussion on equipment usage per village, some equipment that Irma uses, Edgerton never uses.

Discussion on payment for consumables for equipment used at individual villages, log book filled out per hour used per village. Payment on percentage per village.

Discussion on platform we should be using for virtual meetings. (Zoom, Skype, Teams) Looks like free Skype would allow enough participants and will allow document sharing. Chauvin will investigate.
