

January 2021 Monthly Update to Council

Merv Firkus

Jan 4 Wain and District Community Health Foundation

Held Virtually on Google Meet

Called to Order 7:10 pm

Report from AHS

- Engineers came in December for inspection for CT Scanner construction, have not received follow-up.
- Privacy issue concern has been raised at Emergency Triage. Looks like a door is required, Jamie to follow up with Bill personally.
- Wait times are getting longer, 3-5 hours, with no discussion with patients. Jamie would like to discuss specific concerns.
- 101 doses of Moderna have been administered to date, almost all LTC residents and doctors are done.

Update on 50/50 Fund Raiser

- 273 books sold on line
- Bob has 32 books left.

Update on Donor Publishing Process

- Working better now, no feedback from Bryan/Arthur
- Vic spoke to manager at ECU, Shelly to follow up.

Treasures Report

- GIC repost .65% to .81% returns, some non-redeemable.
- \$84,504.00 received in December.
- Deanna moved to accept.

Palliative Care

- 10 Sheepskins required for patients. Approx. \$500.00 each. Moved to purchase.
- Would like to schedule Bereavement sessions. Likely \$2,000.00- \$5,000.00 per speaker. Will revisit when restrictions are lifted.

Fund Raising Ideas

- Beef Feeder Project. Irma Men's Club is showing interest. Bill will discuss with them, getting late to kick off.
- Wine Survivor Project. Heather will gather more info.
- Brett Kissel still being considered and Wainwright Credit Jewelers still considering action piece.

Health Advisory Council

- Meeting on Jan 18-2021 sign up through Eventbrite.
